Core Interests

EXPERIENCE

Architectural Emerging Professional | Dwyer Architectural

Rochester, NY | 2019 - present

Over three years of experience in healthcare design, with a strong focus on end user wellness, a theme that has directly translated into my studio work. Typical responsibilities include preparing construction documents, performing life safety code analyses, compiling research, participating in client meetings, conducting field work, corresponding with engineers, and assisting in proposals.

Revit and Writing Center Tutor | Alfred State College

Alfred, NY | 2020 - present

Responsible for tutoring Revit to architecture students in a construction technology course [2020]. Regularly stationed in the writing center to help students with the writing process, research assignments, and studying skills in all courses [2020-present].

NCARB Student Licensing Advisor | Alfred State College

Alfred, NY | 2021 - present

EDUCATION

Boston Architectural College | Fall 2023 - Graduation in Spring 2025

DEGREE | Master of Design Studies in Design for Human Health

Pursuing an online two year master's degree while working full time.

Sant'Anna Institute | Spring 2022 | Sorrento, Italy

APPLIED FOCUS | Global Studies, Architectural History, Archaeology

Alfred State College | Graduation in Spring 2023 | GPA: 3.93 | AIAS

MAJOR | Bachelor of Architecture

MINORS | Psychology, Global Studies

CONCENTRATION | Architectural History

Graduating thesis student of a NAAB Accredited five year B.Arch program, with an additional two independent research studies.

PROFICIENCY

Skills + Software | Autodesk Revit, Vectorworks, Enscape, Lumion, Photoshop + Illustrator, basic understanding of computational design [Dynamo, Grasshopper, Rhino]

Strengths | Public Speaking; Sketching; Directed Research; Writing
